

WE'RE IN THIS TOGETHER.

If **anyone** in your family has been exposed to or is experiencing symptoms of **COVID-19**, we need to know!

If our therapists are exposed they **must quarantine**, making it more difficult for us to serve all of our patients and their families.

Please contact us to reschedule your appointment, or see if telehealth is an option. **You will not be penalized for having to move or change an appointment because of COVID-19.** We are doing our part, so please do yours:
